### SECTION I: For Completion by the EMPLOYER

**INSTRUCTIONS to the EMPLOYER:** The Family and Medical Leave Act (FMLA) provides that an employer may require an employee seeking FMLA protections because of a need for leave due to a serious health condition to submit a medical certification issued by the employee's health care provider. Please complete Section I before giving this form to your employee. Your response is voluntary. While you are not required to use this form, you may not ask the employee to provide more information than allowed under the FMLA regulations, 29 C.F.R. §§ 825.306-825.308. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 C.F.R. § 1630.14(c)(1), if the Americans with Disabilities Act applies, and in accordance with 29 C.F.R. § 1635.9, if the Genetic Information Nondiscrimination Act applies.

### SECTION II: For Completion by the EMPLOYEE

**INSTRUCTIONS to the EMPLOYEE:** Please complete Section II before giving this form to your medical provider. The FMLA permits an employer to require that you submit a timely, complete, and sufficient medical certification to support a request for FMLA leave due to your own serious health condition. If requested by your employer, your response is required to obtain or retain the benefit of FMLA protections. 29 U.S.C. §§ 2613, 2614(c)(3). Failure to provide a complete and sufficient medical certification may result in a denial of your FMLA request. 20 C.F.R. § 825.313. Your employer must give you at least 15 calendar days to return this form. 29 C.F.R. § 825.305(b).

### SECTION III: For Completion by the HEALTH CARE PROVIDER

**INSTRUCTIONS to the HEALTH CARE PROVIDER:** Your patient has requested leave under the FMLA. Answer, fully and completely, all applicable parts. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the employee is seeking leave. Do not provide information about genetic tests, as defined in 29 C.F.R. § 1635.3(f), genetic services, as defined in 29 C.F.R. § 1635.3(e), or the manifestation of disease or disorder in the employee's family members, 29 C.F.R. § 1635.3(b).
